---	---	--	--	--	--

1.8 Marketing Integrity

We have a fair and competitive marketplace. The rules for bidders are outlined in the General Condition of Contracts. Bidders must agree to these rules prior to participating. In addition to other remedies available, IEL reserves the right to exclude a bidder from participating in future markets due to the bidder's violation of any of the rules or obligations contained in the General Condition of Contracts. A bidder who violates the marketplace rules or engages in behaviour that disrupts the fair execution of the marketplace, may result in restriction of a bidder from further participation in the marketplace for a length of time, depending upon the seriousness of the violation. Examples of violations include, but are not limited to:

- Failure to honour prices submitted to the marketplace.
- Breach of terms as published in TENDER/NIT

1.9 Supplier Confidentiality

All information contained in this tender is confidential and shall not be disclosed, published, or advertised in any manner without written authorization from IEL. This includes all bidding information submitted to IEL. All tender documents remain the property of IEL, and all suppliers are required to return these documents to IEL upon request. Suppliers who do not honour these confidentiality provisions will be excluded from participating in future bidding events.

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

2.0 Evaluation Criteria

- The bids will be evaluated technically on the compliance to tender terms and conditions.
- The bids will be evaluated commercially on overall all-inclusive lowest cost for overall BOQ as calculated in Schedule of Items [Annexure I]. IEL reserves the right to split the order quantity wise among more than one Bidder. Hence all bidders are advised to quote their most competitive rates against each line item.
- Bidder must mandatorily quote as per schedule of item [Annexure-I]. Failing to do so IEL may reject the bid.
- Safety bid shall evaluate in terms of certificates of ISO 9001, ISO 14001 and ISO 45001, Man-Power details (with safety officer & Supervisor, site-in charge etc..), Relevant Tools and tackles, HIRA / JSA related to the job, Last 3 Years safety records. Failing to qualify the safety bid evaluation, IEL will reject the bid.

NOTE: In case of a bidder new to Tata Power, site inspection and evaluation shall be carried out to ascertain bidder's manufacturing capability and quality procedures. However, IEL reserves the right to carry out site inspection and evaluation for any bidder prior to technical qualification. In case a bidder is found as Disqualified in the factory evaluation, their bid shall not be evaluated any further and shall be summarily rejected. The decision of IEL shall be final and binding on the bidder in this regard.

Submission of Bid Documents

3.0 Bid Submission Bidders are requested to submit their offer in line with this Tender document.

All correspondence regarding the tender, bid submission, bid submission date extension, Pre-bid query etc. will happen only through Tata Power E-Tender system (Ariba).

No e-mail or verbal correspondence will be responded. All communication will be done strictly with the bidders who have participated in the Tender as elaborated in procedure for participating in tender.

Bids shall be submitted in 3 (Three) parts:

FIRST PART: "EMD" of Rs. 75,000/- (Rupees Fifty Thousand only) shall be submitted. The EMD shall be valid for 180 days from the due date of bid submission in the form of Bank Guarantee (BG) favouring 'Industrial Energy Limited'. The EMD BG must be strictly in the format as mentioned in General Condition of Contract, failing which it shall not be accepted, and the bid as submitted shall be liable for rejection.

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

EMD shall be strictly in the format of Bank Guarantee and Original Hard Copy shall be delivered at the following address in Envelope clearly indicating Tender Reference Number, Name of Tender and Bidder Name.

Head Contracts & Materials,
Industrial Energy Limited,
IEL-Kalinganagar, Duburi,
Jajpur – 755026, Odisha.

SECOND PART: “TECHNICAL BID” shall contain the following documents:

- a) Documentary evidence in support of qualifying criteria
- b) Technical literature/GTP/Type test report etc (if applicable) .
- c) Qualified manpower, tools & tackles, equipment .
- d) Testing facilities (if applicable) .
- e) No Deviation Certificate as per the Annexure III – Schedule of Deviations
- f) Acceptance to Commercial Terms and Conditions viz Delivery schedule/period, payment terms etc. as per the Annexure IV – Schedule of Commercial Specifications.
- g) Quality Assurance Plan/Inspection Test Plan for supply items (if applicable)
- h) Safety Bid comprising of certificates of ISO 9001, ISO 14001 and ISO 45001, Manpower details, Relevant Tools, and tackles, HIRA / JSA related to the job, Last 3 Years safety records.

The technical bid shall be properly indexed and is to be submitted through e-tender. Hard Copy of Technical Bids should not be submitted.

THIRD PART: “PRICE BID” shall contain only the price details and strictly in format as mentioned in Annexure I along with explicit break up of basic prices, Taxes & duties, Freight etc. In case any discrepancy is observed between the item description stated in Schedule of Items mentioned in the tender and the price bid submitted by the bidder, the item description as mentioned in the tender document (to the extent modified through Corrigendum issued if any) shall prevail. Price Bid is to be submitted in Soft Copy through Tata Power E-Tender system (Ariba) only. Hard Copy of Price Bid should not be submitted.

SIGNING OF BID DOCUMENTS:

The bid must contain the name, residence, and place of business of the person or persons making the bid and must be signed and sealed by the Bidder with his usual signature. The names of all persons signing should also be typed or printed below the signature.

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

The Bid being submitted must be signed by a person holding a Power of Attorney authorizing him to do so, certified copies of which shall be enclosed.

The Bid submitted on behalf of companies registered with the Indian Companies Act, for the time being in force, shall be signed by persons duly authorized to submit the Bid on behalf of the Company and shall be accompanied by certified true copies of the resolutions, extracts of Articles of

Association, special or general Power of Attorney etc. to clearly show the title, authority and designation of persons signing the Bid on behalf of the Company. Satisfactory evidence of authority of the person signing on behalf of the Bidder shall be furnished with the bid.

A bid by a person who affixes to his signature the word 'President', 'Managing Director', 'Secretary', 'Agent' or other designation without disclosing his principal will be rejected.

The Bidder's name stated on the Proposal shall be the exact legal name of the firm.

3.2 Contact Information

Please note all correspondence regarding the tender, bid submission, bid submission date extension, Pre-bid query etc. will happen only through Tata Power E-Tender system (Ariba).

No e-mail or verbal correspondence will be responded. All communication will be done strictly with the bidders who have participated in the Tender as elaborated in procedure for participating in tender.

Bidders shall quote for the entire Scope of Supply / work with a break-up of prices for individual items and Taxes & duties. The bidder shall complete the appropriate Price Schedules included herein, stating the Unit Price for each item & total price with taxes, duties & freight up to destination at various sites of IEL, Kalinganagar. The all-inclusive prices offered shall be inclusive of all costs as well as Duties, Taxes and Levies paid or payable during the execution of the supply work, breakup of price constituents. The quantity break up shown else-where other than Price Schedule is tentative. The bidder shall ascertain himself regarding material required for completeness of the entire work. Any items not indicated in the price schedule, but which are required to complete the job as per the Technical Specifications / Scope of Work mentioned in the tender, shall be deemed to be included in prices.

3.4 Bid Currencies: Prices shall be quoted in Indian Rupees Only.

3.5 Period of Validity of Bids : Bids shall remain valid for 90 days from the due date of submission of the bid.

Notwithstanding clause above, the IEL may solicit the Bidder's consent to an extension of the Period of Bid Validity. The request and responses thereto shall be made in writing.

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

3.6 Alternative Bids

Bidders shall submit Bids, which comply with the Bidding documents. Alternative bids will not be considered. The attention of Bidders is drawn to the provisions regarding the rejection of Bids in the terms and conditions, which are not substantially responsive to the requirements of the bidding documents.

3.7 Modifications and Withdrawal of Bids

The bidder is not allowed to modify or withdraw its bid after the Bid's submission. The EMD as submitted along with the bid shall be liable for forfeiture in such event.

3.8 Earnest Money Deposit (EMD)

The bidder shall furnish, as part of its bid, an EMD amounting as specified in the tender. The EMD is required to protect the IEL against the risk of bidder's conduct which would warrant forfeiture. The EMD shall be forfeited in case of:

- a) The bidder withdraws its bid during the period of specified bid validity.

Or

- b) The case of a successful bidder, if the Bidder does not accept the purchase order, or furnish the required performance security BG.

4.0 Bid Opening & Evaluation process

4.1 Process to be confidential

Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process. Any effort by a Bidder to influence the IEL's processing of Bids or award decisions may result in the rejection of the Bidder's Bid.

4.2 Technical Bid Opening

The bids shall be opened internally by IEL. First the envelope marked "EMD" will be opened. Bids without EMD/ cost of tender (if applicable) of required amount/ validity in prescribed format, shall be rejected.

Next, technical bids of bidders who have submitted EMD shall be opened. Participating Bidders will get mail intimation from Tata Power E-Tender system (Ariba) when their Technical Bids are opened.

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

4.3 Preliminary Examination of Bids/ Responsiveness

IEL will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and

whether the Bids are generally in order. IEL may ask for submission of original documents in order to verify the documents submitted in support of qualification criteria.

Arithmetical errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price per item that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price per item will be corrected. If there is a discrepancy between the Total Amount and the sum of the total price per item, the sum of the total price per item shall prevail and the Total Amount will be corrected.

Prior to the detailed evaluation, IEL will determine the substantial responsiveness of each Bid to the Bidding Documents including production capability and acceptable quality of the Goods offered. A substantially responsive Bid is one, which conforms to all the terms and conditions of the Bidding Documents without material deviation.

Bid determined as not substantially responsive will be rejected by the IEL and/or the IEL and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

4.4 Techno Commercial Clarifications

Bidders need to ensure that the bids submitted by them are complete in all respects. To assist in the examination, evaluation and comparison of Bids, IEL may, at its discretion, ask the Bidder for a clarification on its Bid for any deviations with respect to the IEL specifications and attempt will be made to bring all bids on a common footing. All responses to requests for clarification shall be in writing and no change in the price or substance of the Bid shall be sought, offered, or permitted owing to any clarifications sought by IEL.

4.5 Price Bid Opening

Price Bid of only Technically and / or Safety Qualified Bidders shall be considered and opened internally by IEL.

Bidders will get mail intimation from Tata Power E-Tender system (Ariba) when their Price Bids are opened. The EMD of the bidder withdrawing or substantially altering his offer at any stage after the technical bid opening will be forfeited at the sole discretion of IEL without any further correspondence in this regard.

4.7 Reverse Auctions

IEL reserves the right to conduct the reverse auction (instead of public opening of price bids) for the products/ services being asked for in the tender. The terms and conditions for such reverse auction events shall be as per the Acceptance Form attached as Annexure VI of this

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

document. The bidders along with the tender document shall mandatorily submit a duly signed copy of the Acceptance Form attached as Annexure VI as a token of acceptance for the same.

5.0 Award Decision

IEL will award the contract to the successful bidder whose bid has been determined to be the lowest-evaluated responsive bid as per the Evaluation Criterion mentioned at Clause 2.0. The Cost for the said calculation shall be taken as the all-inclusive cost quoted by bidder in Annexure I (Schedule of Items) subject to any corrections required in line with Clause 4.3 above. The decision to place rate contract / purchase order / LOI solely depends on IEL on the cost competitiveness across multiple lots, quality, delivery, and bidder's capacity, in addition to other factors that IEL may deem relevant.

IEL reserves all the rights to award the contract to one or more bidders so as to meet the delivery requirement or nullify the award decision without assigning any reason thereof.

In case any supplier is found unsatisfactory during the delivery process, the award will be cancelled and IEL reserves the right to award other suppliers who are found fit.

NOTE: Please note that intimation of Price Bid Opening will go only to those bidders who are Technically Acceptable and whose price bid are opened. Bidders who are not successful in technical or commercial part of the process will be intimated to collect EMD only after end of process.

It is informed that IEL shall not provide status updates or give explanation of process followed for bidder selection criteria whatsoever, to any participating bidder.

6.0 Order of Preference/Contradiction:

In case of contradiction in any part of various documents in tender, following shall prevail in order of preference:

1. Schedule of Items
 2. Post Award Contract Administration
 3. Submission of Bid Documents
 4. Technical Specifications
 5. Inspection Test Plan
 6. Acceptance Form for Participation in Reverse Auction
 7. General Conditions of Contract
- Post award of rate contract, bidder shall submit applicable Performance Bank Guarantee as per General terms and conditions of contract.

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

- Any change in statutory taxes, duties and levies shall be borne by IEL.
- All other terms and conditions of IEL GCC shall be applicable.

7.2 Completion Period:

Mobilization period shall be 15 days from the date of issue of Purchase Order / Letter of Intent. **Contract period shall be twelve (12) months from the date of order confirmation.**

7.3 Payment Terms: Payment terms shall be as per General terms and conditions of contract.

7.4 Climate Change: Significant quantities of waste are generated during the execution of project and an integrated approach for effective handling, storage, transportation, and disposal of the same shall be adopted. This would ensure the minimization of environmental and social impact in order to combat the climate change.

7.5 Ethics: IEL is an ethical organization and as a policy IEL lays emphasis on ethical practices across its entire domain. Bidder should ensure that they should abide by all the ethical norms and in no form either directly or indirectly be involved in unethical practice.

IEL work practices are governed by the Tata Code of Conduct which emphasizes on the following:

- We shall select our suppliers and service providers fairly and transparently.
- We seek to work with suppliers and service providers who can demonstrate that they share similar values. We expect them to adopt ethical standards comparable to our own.
- Our suppliers and service providers shall represent our company only with duly authorized written permission from our company. They are expected to abide by the Code in their interactions with, and on behalf of us, including respecting the confidentiality of information shared with them.
- We shall ensure that any gifts or hospitality received from, or given to, our suppliers or service providers comply with our company's gifts and hospitality policy. We respect our obligations on the use of third-party intellectual property and data.

Bidder is advised to refer GCC attached at Annexure VIII for more information. Any ethical concerns with respect to this tender can be reported to the following e-mail ID:

cecounsellor@tatapower.com

ANNEXURE – I

JOB SCOPE :

WORKSCOPE FOR CT FAN MOTOR BASE FRAME REPLACEMENT JOB:

BA scope:

1. Party must remove the motor to de-couple from its motor and gearbox end.
2. Remove the motor from its position. Shift the motor to electrical workshop & after overhauling shift the new/repared motor to its base for replacement purpose.
3. Take all the current level of the motor base frame and transfer it to the suitable location. All the positions are mark by a paint for proper understanding and demarcation.
4. Start the complete breakage of the motor base frame and remove its base frame from its position.
5. Dig the base frame position so that the base frame can be position as per the level mark.
6. All the civil job is under party scope for complete breakage, removal and additional digging for placing the base frame.
7. Cut the 35 mm packer plate and blue match with the base frame with 80% and insert it just below the frame for grouting job.
8. Party has to level and position the motor base frame to its previously demarcated position.
9. Party must Shuttering the complete base frame and insert the cement and GP#2 as per the specification or as direction by the concern engineer.
10. All the civil structural material like concrete, cement, GP#2 etc. for the completion job is under party scope.
11. Party must use good grade of civil material as per the test certification issue by the concern agency.
12. All the necessary manpower, tools & tackles, civil materials is under party scope.
13. Wait for proper time for curing of structure as per the recommendation for further job.
14. Blue match the motor to is base frame and make it as 80% in contact pattern.
15. Align the drive shaft to its motor & gearbox.

WORKSCOPE FOR CT FAN GEARBOX BASE FRAME REPLACEMENT JOB:

1. Party has to de-couple the shaft from its motor and gearbox end.
2. Remove the Gearbox from its position original position by removing all the fan blade and hub assembly.
3. Shift the gearbox outside of the CT shell.
4. Damaged gearbox to be shifted from Cooling tower deck area to IEL store & new gearbox to be shifted from IEL store to its base position. All the lifting shifting job will be carried out by vendor only.
5. As here at Kalinganagar there is no lifting beam installed, hence all the lifting activity will be carried out by after preparing proper scaffolding inside the CT shell. All scaffolding will be certified by IEL safety officer only, then after job will be started.
6. Take all the current level of the gearbox base frame and transfer it to the suitable location. All the positions are mark by a paint for proper understanding and demarcation.
7. If required any Minor damaged of the base frame to be repaired by vendor only.
8. Start the complete breakage of the gearbox base frame and remove its base frame from

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

its position.

9. Dig the base frame position so that the base frame can be position as per the level mark.
10. All the civil job is under party scope for complete breakage, removal and additional digging for placing the base frame.
11. Cut the 35 mm packer plate and blue match with the base frame with 80% and insert it just below the frame for grouting job.
12. Party has to level and position the motor base frame to its previously demarcated position.
13. Party must Shuttering the complete base frame and insert the cement and GP#2 as per the specification or as direction by the concern engineer.
14. All the civil structural material like concrete, cement, GP#2 etc. for the completion job is under party scope.
15. Party must use good grade of civil material as per the test certification issue by the concern agency.
16. All the necessary manpower, tools & tackles, civil materials is under party scope.
17. Wait for proper time for curing of structure as per the recommendation for further job.
18. Blue match the motor to is base frame and make it as 80% in contact pattern.
19. Align the drive shaft to its motor & gearbox .
20. Check the gearbox backlash and adjust as per the direction of concern engineer.
21. Job will be carried out only during day time .

Annexure VI

Acceptance Form for Participation In Reverse Auction Event
(To be signed and stamped by the bidder)

In a bid to make our entire procurement process fairer and more transparent, IEL intends to use the reverse auctions as an integral part of the entire tendering process. All the bidders who are found as technically qualified based on the tender requirements shall be eligible to participate in the reverse auction event.

The following terms and conditions are deemed as accepted by the bidder on participation in the bid event:

1. IEL shall provide the user id and password to the authorized representative of the bidder. (Authorization Letter in lieu of the same shall be submitted along with the signed and stamped Acceptance Form).
2. IEL will make every effort to make the bid process transparent. However, the award decision by IEL would be final and binding on the supplier.
3. The bidder agrees to non-disclosure of trade information regarding the purchase, identity of IEL, bid process, bid technology, bid documentation and bid details.
4. The bidder is advised to understand the auto bid process to safeguard themselves against any possibility of non-participation in the auction event.
5. In case of bidding through Internet medium, bidders are further advised to ensure availability of the entire infrastructure as required at their end to participate in the auction event. Inability to bid due to telephone line glitch, internet response issues, software or hardware hangs, power failure or any other reason shall not be the responsibility of IEL.
6. In case of intranet medium, IEL shall provide the infrastructure to bidders. Further, IEL has sole discretion to extend or restart the auction event in case of any glitches in infrastructure observed which has restricted the bidders to submit the bids to ensure fair & transparent competitive bidding. In case of an auction event is restarted, the best bid as already available in the system shall become the start price for the new auction.
7. In case the bidder fails to participate in the auction event due any reason whatsoever, it shall be presumed that the bidder has no further discounts to offer and the initial bid as submitted by the bidder as a part of the tender shall be considered as the bidder's final no regret offer. Any offline price bids received from a bidder in lieu of non-participation in the auction event shall be out-rightly rejected by IEL.
8. The bidder shall be prepared with competitive price quotes on the day of the bidding event.
9. The prices as quoted by the bidder during the auction event shall be inclusive of all the applicable taxes, duties and levies and shall be FOR at IEL site.
10. The prices submitted by a bidder during the auction event shall be binding on the bidder.

Industrial Energy Limited

NIT No.: IEL/KPO/CC25AKTKPO-04/24-25

11. No requests for time extension of the auction event shall be considered by IEL.
12. The original price bids of the bidders shall be reduced on pro-rata basis against each line item based on the final all-inclusive prices offered during conclusion of the auction event for arriving at Contract amount.

Signature & Seal of the Bidder
