22.4. The bid package document shall remain the property of the Company.

23. Evaluation Criteria:

23.1. The bids will be evaluated technically on the compliance to tender terms and conditions, scope compliance etc.

23.2. The bids will be evaluated commercially on lowest total contract price basis as per Price Schedule. Hence, all bidders are advised to quote their most competitive offer.

24. Bid Opening & Evaluation Process:

24.1. Process to be Confidential:

Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process. Any effort by a Bidder to influence the TPCL processing of Bids or award decisions may result in the rejection of the Bidder's Bid.

24.2. Technical Bid Opening:

Technical Bid of all valid Bids shall be opened simultaneously.

24.3. Preliminary Examination of Bids/ Responsiveness:

TPCL will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the Bids are generally in order. TPCL may ask for submission of original documents to verify the documents submitted in support of qualification criteria.

Arithmetical errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price per item that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price per item will be corrected. If there is a discrepancy between the Total Amount and the sum of the total price per item, the sum of the total price per item shall prevail and the Total Amount will be corrected.

Prior to the detailed evaluation, TPCL will determine the substantial responsiveness of each Bid to the Bidding Documents including capability of providing the Goods/Services and acceptable quality of the Goods / Services offered. A substantially responsive Bid is one, which conforms to all the terms and conditions of the Bidding Documents without material deviation.

Bid determined as not substantially responsive will be rejected by TPCL and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

24.4. Techno Commercial Clarifications:

Bidders need to ensure that the bids submitted by them are complete in all respects. to assist in the examination, evaluation and comparison of Bids, TPCL may, at its discretion, ask the Bidder for a clarification on its Bid for any deviations with respect to the TPCL specifications and attempt will be made to bring all bids on a common footing. All responses to requests for clarification shall be in writing only. Where applicable, Safety Bid shall also be evaluated along with technical bid for the qualification of Bidders against their safety systems & practices and past safety records.

24.5. Price Bid Opening:

Bidders may be asked to submit revised Price Bid in case there is any material change agreed by TPCL during technical evaluation / clarifications. Price Bid of only Technically and / or Safety Qualified Bidders shall be considered and opened.

24.6. Contact Details: All communication shall be addressed to following officer/s:

Mr. Kunal Yenpure

Email: kunal.yenpure@tatapower.com

Copy of all communications shall be marked to (Cc):

Mr. Ravi Shingare

Email: ravi.shingare@tatapower.com

Mr. P Ramrayka

Email: p.ramrayka@tatapower.com

24.7. Reverse Auctions:

TPCL reserves the right to go for Reverse Auction (RA) for price negotiation and discover the most competitive price on its e-sourcing portal. This will be decided after techno-commercial evaluation of the bids. Bidders need to give their acceptance with the offer for participation in RA. Non-acceptance to participate in RA may result in non-consideration of their bids, in case TPCL decides to go for RA. Only those Bidder who are techno-commercially qualified & have submitted valid Price Bids shall be eligible to participate further in RA process. However, H1 Bidder (whose price bid is the highest post techno-commercial evaluation) shall not be allowed to participate in further RA process provided minimum three techno-commercially qualified bids are available.

RISKS TO BE COVERED: Any loss or damage to the Owner's materials due to fire, theft, riot, burglary,

strike, civil commotion, terrorist act, natural calamities etc. and any loss or damage arising out of any other causes such as other materials falling on Owner's materials.

The amount for which insurance policy is to be furnished shall be indicated in the respective Contract.

Free Issue material (FIM) will be issued to the Contractor only after receipt of the Insurance Policy from the Contractor. The contractor shall arrange collection of the FIM from the Owner's premises and safe transportation of the same to his premises at his risk and cost. Notwithstanding the insurance cover taken out by the Contractor as above, the Contractor shall indemnify the Owner and keep the Owner indemnified to the extent of the value of free issue materials to be issued till such time the entire contract is executed and proper account for the free issue materials is rendered and the left over/surplus and scrap items are returned to the Owner. The contractor shall not utilize the Owner's free issue materials for any job other than the one contracted out in this case and also not indulge in any act, commission or negligence which will cause/result in any loss/damage to the Owner and in which case, the Contractor shall be liable to the Owner to pay compensation to the full extent of damage/loss. The Contractor, shall be responsible for the safety of the free issue materials after these are received by them and all through the period during which the materials remain in their possession/control/custody. The Free issue materials on receipt at the Contractor's works shall be inspected by them for ensuring safe and correct receipt of the material. The contractor shall report the discrepancies, if any, to the Owner within 5 days from the date of receipt of the material. The contractor shall take all necessary precautions against any loss, deterioration, damage or destruction of the FIMs from whatever cause arising while the said materials remain in their possession/custody or control. The free issue materials shall be inspected periodically at regular intervals by the Contractor for ensuring safe preservation and storage, the Contractor, shall also not mix up the materials in question with any other goods and shall render true and proper account of the materials actually used and return balance remaining unused material on hand and scrap along with the final product and if it is not possible within a period of one month from the date of delivery of the final product/ completion of Service covered by this Contract. The Contractor shall also indemnify the Owner to compensate the difference in cost between the actual cost of the free issue material lost/damaged and the claim settled to the Owner by the insurance company.

16. Relation between parties:

The Contract shall be entered into on a principal-to-principal basis only. The Contract shall not be construed as a partnership or an association of persons. There is no agent and principal relationship between the parties. Each party shall be responsible for its own conduct. The Contractor shall ensure at all times that all the work carried out under this contract

either by its own person or through any of its sub-Vendors shall be always done under its own direct supervision.

17. Safety:

Contractor shall comply with all legal and statutory provisions including all rules and regulations pertaining to Safety, Health and the Environment and will be responsible for all legal liabilities arising due to any of their acts or of their personnel.
