Fifty Lakhs only via online transfer mode only - To be submitted at the stage of RFQ/Bidding

## 1. INTRODUCTION:

Maithon Power Limited (MPL) is a 74:26 joint venture of TATA Power Company Limited and DVC (Damodar Valley Corporation). MPL operates 2x525 MW capacity, Indian coal based thermal power generation plant located in Maithon near the city of Dhanbad in the state of Jharkhand in India. MPL requires ~4.5 million metric tonnes (MMT) of coal annually for its 2x525 MW Thermal Power Station at Maithon, Dhanbad district, Jharkhand (hereinafter referred as "Plant"). This coal is being presently sourced from BCCL/CCL/Any other subsidiary of CIL and transported through Rail, ROAD-CUM-RAIL and Road mode of logistics.

MPL has commissioned direct railway line up to plant with Engine-On-Load (EOL) operation system thereby plant is sourcing coal either through direct rail mode or combination road and rail. However, coal logistics under Road, R-C-R and Rail mode may operate simultaneously depending on the overall logistics cost and Landed Coal Cost for MPL. Incoming rakes can be unloaded directly into track hopper (approx. ~200 m long) and/or unloaded manually at wharf/platform. In view of above, Tata Power on behalf of MPL is hereby inviting Expression of Interest (EOI) from reputed and experienced parties for the work of **" Services For ROAD-CUM-RAIL Mode Logistics and unloading of Coal from rakes for Maithon Power Limited"**

The tendering/procurement activities for this Project are going to be driven from Tata Power's following Office:

"Corporate Contracts Department,  
The Tata Power Company Limited,  
Smart Center of Procurement Excellence, 2<sup>nd</sup> Floor, Sahar Receiving Station, Near Hotel Leela, Sahar Airport Road, Andheri East, Mumbai-400059."

Coal quantity proposed under this contract shall be quantity acquired by MPL under various FSAs/ E-auctions/ Import substitution etc. Applicable scope of work for this tender shall be as detailed under point no 2 of this Tender Notice. Proposed contract period for this contract shall be 2 years from the date of commencement of contract. Coal quantity expected to be covered under this contract shall be approximately 15 Lakhs MT/annum. It may be noted that above is tentative estimated quantum of work and owner reserves right to vary (increase/decrease) quantity as per the Plant's operational requirement at any stage of tender/contract.

## 2. SCOPE OF WORK:

Scope of work under this proposed contract shall include the following-

- a) Services for Co-ordination/Liasoning with Coal companies, Railways and other concerned authorities to ensure Quantity fulfillment as per Fuel Supply Agreement/Contract with respective Coal Companies
- b) Services for Co-ordination and Supervision of Loading Activities at Mine / Siding end Loading Point
- c) Services for Quality Supervision and co-ordination with Third-party sampling agency (PFC empaneled TPS such as QCI, IGI, SGS, MSK, etc.) for sampling & analysis including activities for referee sample challenge.
- d) Services for Co-ordination/Liaising for quantity and quality reconciliations

- e) Co-ordination with all Coal companies & Railways for sequential dispatch from loading end and placement of rakes at plant end as per requirement stipulated time to time by Plant to minimize demurrage.
- f) Liasoning / Co-ordination with Railways / Coal Companies for allocation preferably through BOBR wagons/rakes in view of unloading facility constraints at plant (MPL may specify specific no of BOBR rakes as per unloading constraints/ requirements)
- g) Escorting of rakes from Loading Point till Plant
- h) Liasoning / Co-ordination and facilitation with Local administration/Local Police/Railway Police etc for security of rakes and to mitigate transit loss/shortage up to plant end
- i) Unloading of Coal from the incoming Rakes with fulfilment of Safety norms as applicable. Modes of unloading BOBR Rakes shall be into Track hopper.
- j) Scheduling meeting with CIL/MoP/MoC/CEA on monthly basis to take up the coal sourcing challenges.
- k) Any demurrage charged by Railways for whatsoever reasons shall be to the account of contractor.

Bidders to note that above is generic description of Scope of work and Detailed Scope of Work/ Technical Specifications, Terms & Conditions for subject Tender shall be specified & detailed in the Tender RFQ (Request for Quotation) Documents (at stage of Tender RFQ), which shall be issued to interested parties' submitting valid EOI and Tender Fee as prescribed in this Tender Notice.

EOI/ requests without complete information and communication as above within deadline shall be liable to be rejected and will not be considered further.

**d) Tender Fee (non-refundable) shall be paid via online mode at the below mentioned bank details**

Table3

Details for payment of Tender Fee:	
Bank details for submitting Tender fees through bank transfer/NEFT: (Tender fee will be non-refundable.)	Beneficiary Name: Maithon Power Limited. Bank Name: State Bank of India Branch Name: C.A.G. Mumbai 400 001 Account No.: 31828734113 IFSC Code: SBIN0009995
<b>Deadline for submission of EOI along with Tender Fee Payment:</b>	<b>15<sup>th</sup> Feb 2024, COB.</b> <b>(As also mentioned in Tender Advertisement published in Newspaper)</b>

**EMD Fee shall be paid in the form of Online transfer only.**

**Note- For Online Transfer of EMD plz use the details provided in Table-3 (mentioned above)**

4. Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties submitting a valid EOI as per terms mentioned in this document.

**5. BIDDER PRE-QUALIFICATION REQUIREMENTS (PQR):**

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement/ criteria in order to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document/RFQ and bidders not found meeting the pre -qualification requirements given below will be disqualified from the tender.

**4.1 TECHNICAL REQUIREMENTS:**

- a) Bidder must have experience of similar nature and must have executed minimum 1 contract of similar scope of work for Road-Cum-Rail Mode logistics during last 3 (three) years (i.e., 3 years from the month of RFQ issue date) for reputed Power Plant consumers.
- b) Bidder must have experience of executing Road-Cum-Rail Mode logistics for total coal quantity not less than 8 Lakhs MT from any of the CIL subsidiary (coal quantity criteria may be met under single work contract or multiple work contracts, which has been executed or under execution during last 3 years i.e., 3 years from the month of RFQ issue date).

Note for Technical Requirements:

- Specified experience shall be evaluated as on date of RFQ issue for subject tender i.e. 3 years from the month of RFQ issue date

- Valid experience documents shall be relevant contract copy/order copy/performance certificate from client as necessary for substantiating above experience credentials.
- Reference work contracts which are not completely executed as on date and are presently under execution, shall be considered valid, only if reference provided that it has successfully completed at least 1 year of execution as on date of RFQ issue for subject tender.
- As per operational requirement of the plant any of the vendor who is already in an existing agreement with Maithon Power Limited for coal Transportation under road mode and direct rail mode shall not be eligible for the subjected tender.”

#### **4.2 FINANCIAL REQUIREMENTS:**

Bidder shall have adequate financial resources to execute the Contract concurrently with his other commitments and shall meet the following conditions.

- a) Bidder shall have during the last three financial years (FY21, 22 & 23) an Average Annual Turn Over of not less than INR 50 crores.
- b) Net Worth of the Bidder as on the last day of the preceding financial year is at least equal to or more than the paid-up share capital.

Notes for Financial Requirements:

Net Worth means the sum total of the paid-up share capital and free reserves for private / public limited companies and the Surplus Capital employed by owners in a proprietorship / partnership companies. Free reserves means all reserves credited out of the profits and share premium account but do not include reserves credited out of the revaluation of assets, write back of depreciation provisions and amalgamation. Further, any debit balance of profit and loss account and miscellaneous expenses to the extent not adjusted or written off, if any, shall be reduced from Reserves & Surplus. Other income shall not be considered for arriving at annual turnover.

Bidder will be required to submit copies of their profit and loss account and audited Balance sheet for the last three preceding financial years along with the Bid Document. In cases, where audited results for the last preceding financial year are not available, certification of financial statements from a practicing Chartered Accountant shall also be considered acceptable.

Additionally, Bidders will be required to submit certified true copies of purchase orders/contracts in support of the technical pre-qualification requirements.

#### **6. BID SECURITY/EMD AT STAGE OF RFQ/BIDDING:**

Interested parties to note that Bidder will be required to furnish a Bid Security only along with their Bid (subsequent to EOI and issue of Bid Document to valid EOI participants), in the format prescribed in Bid Document in the form of Bank Guarantee or Demand Draft for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

**Interested parties to note that EMD/Bid Security is not required with the EOI and it is required to be submitted with the Bid during RFQ/Bidding stage, once RFQ is released to the interested parties submitting valid Expression of Interest.**
